Vižinada,

A villa for sale in the municipality of Vižinada on the edge of the construction zone, on a steep slope next to a forest. With its elevated position, it offers a beautiful view of Poreština, the sea, beautiful Istrian vineyards and olive groves on the traditional Istrian red road, and in clear weather a view of the coast of Italy and the lights of Venice. Towards the north, the view extends to the Julian Alps, which in winter offer a fantastic view of snow-covered peaks.

The house of contemporary architecture is located on a building plot of 1,094 m2. The plot is fully communally arranged.

The house will have a floor plan size of 26x11 meters on the ground floor, an infinity pool of 12x4 m of usable water surface. Under the pool, engine room and storage room of 20 m2. The special feature of this building is the elevator that will be next to the pool to overcome the height difference from the road to the entrance to the house of 7 meters. There will be a 100 m2 paved sunbathing area in front of the pool. The house has a total net living area of 419 m2. On the ground floor of the central part there is a large open space of the living room with a fireplace and a kitchen, glazed with lifting sliding walls. In addition, there is a room on the ground floor where an indoor jacuzzi, sauna and guest toilet are planned. One room is intended for a gym, and the house has one multipurpose space intended for a cinema hall or a
