Funtana, a small fishing village, a famous tourist resort on the west coast of Istria.

In the center of Funtana, a building plot of 2400m2 with a family house is for sale. The house was built in the 80s and needs renovation. House of 180m2, divided into two apartments, with garage.
The land offers great opportunities for investment and construction of residential/commercial buildings. The minimum plot for the construction of a house in Funtana is 500m2, which makes this land interesting for investors. The house itself, which is located on a plot of 2400m2, also offers great potential.
The land belongs to the zone M1 – mixed construction.
