Kaštelir, surroundings

Building land for sale with a beautiful sea view.
Building land 602m2, sold with a building permit for a semi-detached house.

The neighboring building will start construction in 2026. There is a possibility for the future owner to have the same builder build a house on the specified plot.
Each house would have a net area of

224m2 according to the project.

The price includes design costs, utility contributions and electricity connection.
Infrastructure is located right next to the land.

The project is designed for a modern semi-detached house, where each house has its own pool, yard and privacy.

Investors offer land with all of the above, but they are also ready for a future owner to build a house according to the specified project!

For all information and more about the house project itself, feel free to contact us at:
