

Code :	01378
Location :	Poreč
Building size :	0 m ²
Lot size :	1128 m ²
Distance from center :	500 m
Distance from sea :	8000 m

Price : 450.000 €

Poreč, surroundings

A building plot with a beautiful view of the sea is for sale. Building land 1128m², for sale with a building permit for a semi-detached building. According to the project, each house would have a net 224m².

The price includes design costs, utility contribution for two houses and electricity connection.

The infrastructure is located right next to the land.

A project designed for a modern duplex, where each house has its own pool, yard and privacy.

Investors offer land with all of the above, but they are also ready for a future owner to build a house according to the above project!

For all information and more about the house project itself, feel free to contact us at:
