Umag, Zambratija,

OPPORTUNITY FOR INVESTORS!!!

Building land of 2035m2 for sale.

According to the plan, it is possible to build two residential buildings on the land, each of which could have up to 9 apartments. In front of each building there would be space for parking spaces and for the construction of a swimming pool.

There are currently two older residential buildings on the said land that should be demolished.

On average, land in that area is sold at a price of 350.00 Euro/m2.

Good location for building apartments!!!
