Poreč - surroundings, wooden house with sea view
This unique wooden house is for sale!
The house is located in a quiet place on a small hill, with a view of the sea. The house of 96 m² is spread over two floors. On the ground floor there is a living room, dining room and kitchen and two bathrooms, while on the first floor there are three bedrooms and a small terrace. A large terrace stretches around the house from which stairs lead down to the basement. In the basement there is a tavern of approx. 30m2. which can be used as a tavern for socializing, a study, etc.
A rarity like this is hard to find - a combination of the warmth of wooden construction, nature, sea views and a large garden. The house is located on a spacious garden of 900m2.
This house is unique on the market, ideal for hunting enthusiasts. In addition to this house-property, a fenced agricultural land of 13500m2 nearby can be purchased.
The house can be used as a weekend house, it is interesting as a rental house, but it can also be used as a house for everyday life.
