Istria, Poreč, Višnjani

A family house in the Roh-bau phase is for sale.

The house has two floors. On the ground floor there is a bedroom with a bathroom and a terrace, a kitchen and a dining room, and a living room from which there is access to the terrace, the pool and the sunbathing area.

There are two bedrooms on the first floor, each with its own bathroom and terrace.

For now, the house has been built up to the "roh-bau" stage and is being sold as such.

There is an option for the future buyer for the owner to complete the house to the "turnkey" stage.

The house is located in a very beautiful and quiet location, for enjoying nature. Facilities necessary for everyday life are located a few kilometers from the house.
