Distance from center :	4000 m
Distance from sea :	4000 m

Price : 315.000 €

Poreč, near the sea and the city center

The building plot is located in a settlement not far from the city and the sea. The plot area is 961m². Infrastructure (water, electricity and sewage) is located almost to the plot itself.

Possibility of construction: detached house or semi-detached house

A very interesting plot, if you want to be near the city and close to all amenities for everyday life.
