access to the terrace. In addition to a 9.90 m² bedroom, there is a smaller room (5.50 m²), suitable for use as a child's room or a home office. An internal storage room provides extra space for belongings.

ABOUT THE BUILDING AND DEVELOPER
The residential building consists of a ground floor and three upper floors, housing 12 apartments and an elevator. Each apartment includes two parking spaces on the building's plot. The developer has extensive experience in residential construction. Upon request, we can show you completed buildings and apartments by the same developer in the same or similar locations, allowing you to assess the construction quality before making a reservation.

CONSTRUCTION SPECIFICATIONS
- Electric underfloor heating throughout the apartment
- Pre-installation for air conditioning
- Fully equipped bathrooms with sanitary fixtures
- Choice of flooring: ceramic tiles or laminate
- Elevator
- 2 parking spaces per apartment

PURCHASING DURING THE PROJECT PHASE
Reserving before construction begins offers you a wider selection of apartments and layouts. You may also choose your own final flooring materials.

LOCATION
In the vicinity of Poreč, approximately 2,000 m from the sea and 500 m from the town center.

Please contact us for further information, reservation terms, or to arrange a viewing of the location and the developer's previously completed projects.
